

About Us

Trade Lenda is a Neo bank for Micro, Small and Medium Enterprises, empowering them with strategic financing solutions to help them achieve their full potential and growth. This is in the form of inventory and supply financing, growth, market advisory and other financial services (micro savings and payments)

Our SDG Alignment

Our Track Record

Our Stories

We have been instrumental in seeing business grow and thrive. Here are a few of our testimonials.

Play [Video 1](#) ; [Video 2](#) ; [Video 3](#) ; [Video 4](#)

Our Impact

Tracked over **10,000** new jobs directly and indirectly.

Supported over **260,000** SMEs and **69,000** Farmers and pharmaceutical distributors across Nigeria.

Skill development and training through Fairs and SME Master-classes.

65% of supported businesses are **Women and Youth-led**

Managed a \$5m **revolving fund** targeted at various focus demographics

Collaboration with government agencies and NGOs as implementing partners in various projects.

Maintaining viable **partnerships within the Agriculture, Clean Energy and FMCG ecosystem**

The Future

We are seeking a strategic collaboration to empower MSMEs through targeted capacity building and access to financing, enabling them to grow, scale, and sustain their businesses.
